Whitney Properties inc.

Welcome to the Community!

Thank you for choosing Whitney Properties, Inc. to help you with your Real Estate needs.

With our upcoming 30th year celebration of continued business in the local community, we feel confident in all areas of Real Estate marketing including residential sales, land sales, new construction and land development. One characteristic of land development that makes us stand out, is that we take pride in preserving the rural character of the heart of Virginia.

Examples of these communities are:

- The Preserve at Deerfield
- The Preserve at Manakin-Sabot
- The Preserve at Parker's Hill
- Autumn Breeze, and coming soon...
- Bridgewater and Orchid Farms

We are a small firm, with which we feel offers quality performance for you. Our Realtors live in the local area and have a strong base of information that helps put us on top of the Real Estate market. Although small, Whitney Properties, Inc. continues to be a Multi-Million Dollar Producer every year.

Our office is fully computerized and on-line with the Multiple Listing Service which covers the Richmond and surrounding areas. We are all dedicated professionals and respected members of the business community. We are here to serve you and answer any questions you may have.
