Lake Retreat Properties, Inc., with Jeanette M. Childress at its' helm, has steered its way into the lead of real estate companies here at Smith Mountain Lake in beautiful south-central Virginia. We are a full time real estate company selling waterfront lots, tracts, on-water and off-water homes, and providing rental management for that growing segment of owners who want to generate income from their lake house. We promote the interests of lakefront property owners and provide the expertise to offer buyer representation for property acquisition. 32 years experience in property sales and consistently offering the best of waterfront vacation rental homes have proven time and again to bring people back to the company that speaks of history, of investment, of integrity, of professionalism and honesty, all that we as a community and a country hold dear.
